This sign is designed for two color prints and uses (4) 8 X 3 mm magnets.

The holes for the magnets do not require supports and are designed for a press fit, but I recommend a drop of glue in each hole if you plan on moving them a lot.

There are two version of this.

Chalant V0 has a thick border around the text and is the one shown in the picture.

Chalant V1 has a thinner border and is offset from the edges of the sign.
