---

This is another burr puzzle very easy to solve.  
I designed it copying from the original wooden puzzle my father handcrafted many years ago (about 1970).

follow pictures for assembly.

This thing was made with Tinkercad. Edit it online <https://www.tinkercad.com/users/8uleR3vpTga-infoctfbt>

You can find all my models [here](#), thank you who will appreciate with a **download** or with a **like**
