This is the way.

I remixed [Dr Operator's Boba Fett](#) to make this Mando. Most pieces are from the Boba Fett set, and can be downloaded from that page. The Dark Saber was remixed from the original MINI 13 sword. The Mudhorn was remixed from [Faiq's rearview mirror ornament](#).

The Mando specific models are:

Jetpack

Helmet

Whistling Birds

Mudhorn Pauldron

Dark Saber

You will need these files from the [Boba Fett Remix](#) (now included here!):

Belt

Chest

Shoulder (x1)

Cape

Head

Arm (x1)

Waist

Shin (x2)

Thigh (x2)

This remix is based on

Mandalorian - Din Djarin rearview mirror ornament

by Faiq

MINI 13 Printable Jointed Figure
