Full project write-up available here <https://www.miatafied.com/projects/posts/project-g-g-string-bikini-top/>

This is an adapter for the center brace of a Project-G Miata G-string bikini top <https://projectgla.com/product/g-string-bikinitop/>

The threaded shaft and two nuts make the length adjustable for a perfect fit between the handle of the convertible top bow and the roll bar.
