### Summary

Bed Scraper holder and plier holder. Uses 8x2 Magnets.

[3D Printers](#) > [Accessories](#)

Tags: [magnetic](#) [scraperholder](#) [plierholder](#)

I made simple models to stick to the side of a filing cabinet. It uses two strong 8x2 magnets that I super glued to the bottom. The magnets I used for the plier holder were not strong enough, so I used another one to support it. The scraper is light, so It didn't require strong magnets.

Printing Tips:

Supports: No

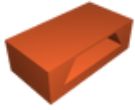

Resolution: .20

Infill: 20%
