# Clamp for XPower X-47ATR Fan

 **Geekazoid**[VIEW IN BROWSER](#)

updated 27. 4. 2023 | published 27. 4. 2023

## Summary

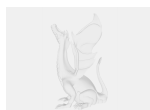

This fan is suitable for ambient air filtering. I made this clamp for mounting it to your filtering solution.

[Hobby & Makers](#) > [Tools](#)Tags: [woodworking](#) [dust](#) [xpowerx47atr](#)

If you are building a Corsi-Rosenthal filter or any kind of ambient air mover solution and you need to mount this specific Xpower X-47ATR fan to it, these clamps will do the trick.

Intended for 1/4-20 or M6 fasteners with washers.

## Model files

**x-47at\_clamp.step****x-47clamp-overture\_petg\_x1c.3mf**☐ I printed all 4 on my X1C with this project file.
