Summary

A holder for the MK3/S included spool holder.

0.54 hrs

1 pcs

0.30 mm

0.40 mm

PLA

10 g

Prusa
MK3/S/S+

[3D Printers](#) > [Accessories](#)

A holder for the MK3/S included spool holder.

This lets you mount the included spool holder upside down above the printer.

Gives a gap so switching spools is still easy but vertical space is not wasted.

Print instructions

Print with screw head chamfers towards print surface.
Successfully printed with 0.3mm layer height.
