Summary

Snug Fit, 2GT Belt Clip

[3D Printers](#) > [Other Printer Parts & Upgrades](#)

Tags: [2gtbelt](#) [rolohaun](#) [rookmk1](#) [rook3dprinter](#) [rook2020](#)

Might suggest PETG nstead of PLA for these as PLA seems to stretch more long term.

Zip tie for extra security, if you want

Works great on Rook Mk1 and Rook 2020.
