### Summary

This is a small container for 3D printer nozzle needles. The cap is from the original (broken) container.

This is a small container for 3D printer nozzle needles. The cap is from the original (broken) container. I'd recommend printing this with a brim, just to ensure that it doesn't fall over near the end of the print :)

### Support

If you'd like to support me for the 3D models I distribute for free, you can use the following AliExpress affiliate link: [https://s.click.aliexpress.com/e/\\_AoUC8h](https://s.click.aliexpress.com/e/_AoUC8h)

Whenever you buy something through this link, I get a small kickback without costs for you :)
