Slot is for a **2 cent Euro** coin.

### Print Settings

#### Rafts:

No

#### Supports:

No

#### Infill:

20

**Filament:** PLA/PETG/... Red

### Notes:

- I like my prints sturdy so I went for 4 perimeters and 20ish **gyroid** infill. (Less might be perfectly fine too.)
- Sharp corners, so brim ears might be a good idea. Or go for a full brim.
- **Must** be printed in **red** filament.
- **Must** be printed while intoxicated...
- Slide a **2 cent Euro** coin in the designated (so you don't have to be) slit.
