Spell Templates to measure distance and Area of Effect for Tabletop Games like Dungeons and Dragons or Pathfinder.

The template makes it easy to see which monsters/players get hit by an AoE Spell. No more counting squares or moving minis!

The templates are designed for 2.5cm / 1 inch grid tiles. They have lettering with Feet and Meters.

Templates included are:

- Large Circle: 10ft, 20ft, 30ft, 40ft diameter
- Small Circle: 10ft, 20ft diameter
- Large Square: 10ft, 25ft, 40ft edge length
- Small Square: 15ft, 30ft edge length
- Big Cone: 10ft, 20ft, 30ft
- Small Cone: 5ft, 10ft, 15ft
- Line: 30ft length

Want it printed?

If you want them and don't have a 3D Printer you can buy them [in my store](#).

Print instructions

Can be printed with a MMU, or a simple pause to change the filament.

0.2mm Layers and 0.55 line width with arachne for the text.
