[tray](#) [skadis](#) [ikeatray](#) [pegboardholder](#) [pegboard](#)

Different sized shelves / trays for your Ikea Skadis wall. 1 Extra Long or 2 Extra small shelves will fully span a 36cm wide panel. (The Extra Long may be beyond most printer beds).

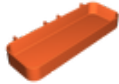

To get the 2 Extra Smalls to span the distance, you'll need to ensure you print on of each Left and Right tray.

Hope you enjoy!
