Harry Potter lithophane keychain

Hold it up to the light to reveal the picture

Print it vertically at a small layer height at 100% infill (I printed it at 0.1mm layer height)

Print with a raft if you are worried it might fall over during printing.

@3DPrintBunny

Print instructions

Print in original orientation

Print at a small layer height (I printed it at 0.1mm layer height)

Print at 100% infill
