Albert Einstein Headphone Stand - Support Free

The original Albert Einstein Bust model by ljc_designs is a masterpiece, and the support free design by @iczfirz makes it even easier to print.

Using Fusion 360 I was able to reduce the mesh by 75% without losing too much quality. Albert's shoulders were chopped, and a headphone mount was added without too much fuss.

It will be a great addition to any space!

Printed on my Bambu Lab P1P 3d printer

- 100% scale
- 0.16mm layer height
- 5% infill
