Summary

Remix so this fits the more common (in canada at least) outlet plate.

[Household](#) > [Home Decor](#)

Tags: [outlet](#) [outletcover](#) [coverplate](#)

MY ACCOUT HAS GLITCHED! This is actually my design but I can no longer access my original account. I remixed this after this <https://www.thingiverse.com/thing:5586448> model because I needed one to fit over my outlets. This does not cover the whole plate thing that you usually would have over the light or outlet. So if underneath the old plate is unfinished (as in it isn't painted) this won't cover that. If you wish to sell these, you may! Just give me design credit. If you want something added to the model, feel free to ask.

This remix is based on
