Summary

This is my very first 100% self designed, edited, printed item.

This is my very first 100% self designed, edited, printed item. It is certainly a work in progress but feel free to modify it for your own uses!

This Earbud / Headphone cable wrap is convenient and makes a statement with or without your Earbuds in place. :)

I was inspired by <http://www.thingiverse.com/thing:292153> as this was such an interesting design.
