#### StarWars Custom Mini StealthBurner

#### FROM A GALAXY FAR FAR AWAY...

comes these fun custom prints for your V0!

The question is... **Wil you succumb to the Dark Side?!**

These are all multi part prints so you will need to generate the needed G-code in order to print them in your chosen slicer. (I use Superslicer)  
here is a link the the super slicer way curtesy of Voron documentation  
(thank you guys your awesome!)

Some of these prints may be challenging to print well so some tweaking may be involved

Follow the Voron printer settings for functional parts.

5 top and bottom layers

4 perimeters

40% infill

If you have something in mind that is not here, give me a message and I'll do my best to create one!

Please share your makes, I would love to see how they turn out for you!
