### Summary

YAPH - Yet Another guitar Pick Holder :-)

[Hobby & Makers](#) > [Music](#)

The existing pick holders I was finding were too small for my picks.

So here is YAPH (yet another pick holder) designed to hold my picks which are about 26 x 31mm.

I made the walls and bottom 2mm thick for some rigidity which may also help if you scale this smaller.

Please click the **Like** button. Thanks.
