### Summary

Create your own reference block of any dimension with any number of holes.

---

[Hobby & Makers](#) > [Tools](#)

---

Do you need a 1-2-3 inch block to use in your shop? This model has you covered.

Do you need a 1-2-3 centimeter block to use in your shop? This model has you covered.

Do you need a 1-1-17 inch block to use in your shop for some reason? We can do that too!

Need a 1-1-1 block to hurl at your sibling or cat? Yup, got that too!

All parameters are parametric. You can change any or all of the dimensions and even specify how many holes you want per unit of measure.
