Tags: [modelrailroad](#) [model](#) [railroad](#) [modelrailway](#) [railway](#)

An HO Scale Model Railroad RV Garage/Machine Shop/Shed/Farm Building (wooden) with a choice of main doors including roller doors and roller doors with windows.

Supports are needed for the shed (I used organic supports) and roof if printed vertically.

Can be used with the metal roof and down spouts from my metal version of this model, [HO Scale Model Railroad RV Garage/Machine Shop/Shed/Farm Building \(metal\)](#) by ironfan72 | [Download free STL model](#) | [Printables.com](#)
