Tags: [usb](#)

Simple disk holder (any FW or USB) external disks should fit. Mount on backside hole (use little force).

Update: Noticed that holes are different, this version fits 21 IMac, 24 IMac hole is little larger (you will have to scale model, or wait for updated version)

Update:

added version for 27 IMac, its not fully tested but it should fit with some force :)

so

disk_holder.stl for 24 IMac

27_imac.stl for 27 IMac

Print instructions

Print with any material (PLA recommended)

Model files

disk_holder.3mf

disk_holder.stl

27_imac.stl
