### Summary

Printable creature power discs from the PBS kids show "Wild Kratts."

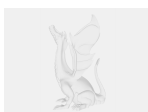

[Toys & Games](#) > [Other Toys & Games](#)

Printable creature power discs from the PBS kids show "Wild Kratts." There are models for the arctic fox and arctic hare. I also included a Fusion 360 model with no animal so you can add your own!

### Print instructions

If you want, you can use your slicing program to add a color change halfway so that the animal is one color and the pattern on top is a different one!
