updated 30. 6. 2023 | published 30. 6. 2023

Summary

A remake of the original Prusa Rambo base. Reinforced with locations for cable ties and cooled via a 45mm fan.

Tags: [mk25s](#) [mk2](#) [rambo](#) [fan](#)

A remake of the original Prusa Rambo base. Reinforced with locations for cable ties when using lights and other accessories. Cooled with the use of a 45mm fan. I would recommend the use of plastic bolts for the mounting of the fan to avoid any short circuits on the Rambo board.
