Scotch Tape

An innovative design capable of holding your shot of scotch and your favorite adhesive.

This is a pretty pun print, check out the short which contains detailed operation instructions.

Im starting a new 3D printing youtube channel, If yall could like and subscribe it would help a lot!

<https://youtube.com/shorts/K74rAVUb-aQ>

Its a link because the video is a short, I didn't have enough content to make a full length video about this project haha.
