Summary

Modified version of the Hadley 1-25in ecosystem - NRF - Base to fit metric M5 screws.

I quickly modified the version of the Hadley 1-25in ecosystem - NRF - Base by @wigglemore to fit metric M5 screws. As my old Hadley telescope print was based on a version with M5 hardware by @SDHayes M4 was not an option for me as I would need to reprint many other parts.

This remix is based on

Astronomical Telescope "Hadley" - an easy assembly, high performance Newtonian
