Tags: [boxes](#) [small](#) [tiny](#) [pill](#)

Small pill box with snap closure to keep a small dosage of pills organized. The lid is available with an owl embossing or just plain.

Print settings

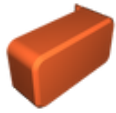

Printed it with 0.4 nozzle, 0.1 mm layer height. Bigger heights might also work, but didn't test is, since I wanted a higher resolution of the owl embossing.

The lid was placed vertically, with support enabled, to use a better layer orientation for the snap closure.
