updated 9. 8. 2023 | published 9. 8. 2023

Summary

Longer section to hold more water with thicker bottom and longer water pipe.

[Household](#) > [Outdoor & Garden](#)

Tags: [hydroponics](#) [kratky](#) [hydroponic](#)

I had a go at increasing the water reservoir volume and further adjusted to align the outer wall with inner depth

Long water pipe also included to ensure water reaches correct level (also includes additional length per previous remix)

07/23 - Added the water pipe model for this section piece

08/23 - I fixed an error in the section piece

This remix is based on

Hydroponic
