~~I HAVE NOT PRINTED THIS~~ Now printed, see pics. Regular support generated is a PAIN ;) I am going to try tree support next. Someone asked for the Jack Skellington face for the new 2020 Jack O'Lantern by thejelmfelt - <https://www.thingiverse.com/thing:4610823> , so here it is. I included one without the eyebrows also as it seemed like being that close to the eyes may cause printing problems on some machines. Choice is always good anyway :) If there are any other designs you would like send me a message or post a comment and I will see what I can do.
