Summary

The time has come not to worry about what time it is... Time to relax...

[Household](#) > [Home Decor](#)

Tags: [retirement](#) [time](#) [humor](#) [clock](#)

For those who no longer have to have their days run by the clock, but rather just enjoy their time...

Supports need for the backside of the clock face.

Uses standard AA battery clock mechanism (<https://www.amazon.com/Pieces-Movement-Mechanism-Different-Replacement/dp/B08T62D5H3/>)
