Summary

Spool Holder Arm with strengthened tags.

[3D Printers](#) > [Accessories](#)

Tags: [enclosure](#) [spoolholder](#) [spoolmount](#) [spool](#)

Remix of 75mm version of Prusa Mk4 - Spool Holder (Arms) by Carrier. Nice design.

Felt the individual Tags needed strengthening to ensure it would push and twist into place more robustly, particularly if printing with weaker material, so added material to better support the tags.

Printed with PC_0.2mm 100% infill.

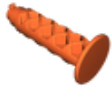

This remix is based on

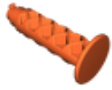

Prusa Mk4 - Spool Holder (Arms)

by Carrier
