### Summary

A barrel design for a bag in box wine

[Household](#) > [Kitchen](#)

Tags: [wine](#) [bib](#) [barrel](#)

A barrel to make a bag in box wine look fancier.

### Materials needed:

A 3 liters bag in box wine

### Printing instructions:

I used 4 perimeters, 4 bottom and top layers, and layer height 0,2 mm.

Only part 3 needs support

If someone add woodtexture to it, I would like to see it.
