updated 1. 7. 2023 | published 1. 7. 2023

Summary

An updated and improved version of the Rook Rod Mod Belt Cradle by @Gulsifer

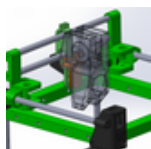

[3D Printers](#) > [3D Printers - Upgrades](#)

An updated and improved version of the Rook Rod Mod Belt Cradle by @Gulsifer

Changes:

- Removed the 4 mounting holes that were carried over from the rails version
- Added a slot for a nut to tension the lower bearing

This remix is based on

ROOK ROD MOD by GUL
