### Summary

Honeycomb customized versions of the Jerrari's genius drawers for Ikea Lack tables/enclosures.

[3D Printers](#) > [Other Printer Parts & Upgrades](#)

Tags: [lack](#) [drawer](#) [jerrari](#)

Honeycomb style versions of the [Jerrari's](#) genius drawers for Ikea Lack tables/enclosures (see his [Gen2 Modular Storage System for Lack Enclosure collection](#)).

I customized most of them (37 models).

Check other honeycomb designs : [Ender 3 S1 honeycomb collection](#).

If you like it, then... like it!

If you print it, please post your makes!
