Summary

Fridge Drink Holder for six can drinks

[Household](#) > [Bedroom](#)

Tags: [holders](#) [fridge](#) [drinks](#)

40 ,PLA 15-20g

,30-40mm/s, 60mm/s

Another version of someone else's model

It fits just enough for six drinks

Each half takes about 40mins to print on default Slicer vase mode settings Better be slow, like 40mm/s on the first layer
