Summary

It's like the original box and fully compatible

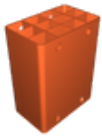

[Hobby & Makers](#) > [Organizers](#)

Since my sister had bought some twinmarkers without a box and didn't know how to store them, I redesigned the original box 1:1. The boxes are compatible with each other.

To be able to print the boxes faster, I designed the knobs as individual parts, they have to be glued in afterward! (I scaled them to 95% so that they'll fit without any trouble).
