

Blockbuster Movie

Sneaky Zebra

[VIEW IN BROWSER](#)

updated 1. 7. 2023 | published 1. 7. 2023

Summary

Blast from the past, currently scaled as a coaster, but you can adjust the scale to make it as wall art.

Tags: [rental](#) [bambu](#) [movie](#) [blockbuster](#) [ams](#) [coaster](#)

This is meant to be printed on a Bambu with AMS or Multicolor printer. Makes for great wall art, coaster, or you can scale it down and add a magnet on the back for a magnet. This prints face down and looks best on a textured plate. If you would like to sell this, please join my patreon:
