updated 1. 7. 2023 | published 1. 7. 2023

Summary

A remix of umbilical cable mount to match the cable size provided by SB2209 and SB2240 kits.

[3D Printers](#) > [3D Printers - Upgrades](#)

I needed a simple cable route/mount for the included cable given with SB2209 and SB2240 kits.

Just push the cable in and screw in just like the original design.

This remix is based on

Voron 2.4 A Drive PG7 umbilical mount
