Introducing a minimalist Blade Guard/Travel Cover designed specifically for the Mühle COMPANION Safety Razor. This functional accessory provides essential protection for your razor blades during storage and travel. Ideal for wet shaving enthusiasts on the move.

Key Features:

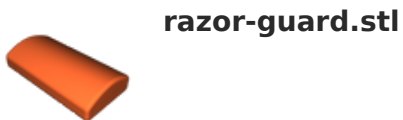

1. **Easy Application:** The blade guard effortlessly slides onto the Mühle COMPANION Safety Razor, providing a hassle-free way to protect your blades.
2. **Reliable Protection:** Effectively shield your razor blades from accidental contact and damage, preserving their sharpness and preventing nicks.

3. Compact and Lightweight: The slim profile of the blade guard makes it ideal for travel, taking up minimal space in your toiletry bag or luggage.
4. Secure Fit: The custom design ensures a perfect fit for the Mühle COMPANION Safety Razor.

Tips for printing:

Raft for Stability: A raft has been used during the printing process to ensure stability and prevent the blade guard from falling off the bed.
