### Summary

A logo badge created by referencing the tattoo of Cal Kestis, as well as the Hyper Shell poncho from Jedi: Fallen Order.

This is a badge I modeled for my wife's costume as a member of the Scrapper's Guild on Bracca.

It references the tattoo on Cal Kestis' wrist, as well as the Hyper Shell poncho available in the game Jedi: Fallen Order.

It includes indents on the back of both plates that I used for magnets. This way, it doesn't need to be otherwise sewn or glued to a costume.
