## Summary

This is a wall mount for a kitchenaid cordless blender (model khbbv53er).

Tags: [blender](#) [cordless](#) [kitchenaid](#) [mount](#)

This is a wall mount for a kitchenaid cordless blender (model khbbv53er).

I designed this to be a counterpart to [Meister Edel's holder for the attachent](#).

Screw holes are 50mm apart.

I printed in PETG with 20% infill and 4 walls. Probably would be fine in PLA.
