Summary

A small "clip" designed to keep your albums looking neater on the shelf. Spool-finisher!

WHAT IS IT?

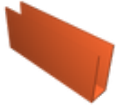

This is a small slip-on 'clip' for your record albums. When stored vertically (which is the ideal way to store records), the cardboard sleeves of each album tend to bend outward, looking very bulbous and untidy. This little piece fixes that issue.

NO ADDITIONAL HARDWARE NEEDED

MY PRINT SETTINGS

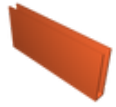

I printed my model with 20% infill (although the entire piece is walls...), 3 wall lines, no supports.
