Summary

After posting my original Winnie the Pooh with 'fur' a number of people requested a 'smooth' version.

After posting my original Winnie the Pooh with 'fur' a number of people requested a 'smooth' version.

I've included all the parts for the full build under this remake for simplicity. All of my build notes (colors, print and assembly suggestions) can be found with the original model:

<https://www.prusaprinters.org/prints/219-winnie-the-pooh>

Enjoy!
