Overview

This is an easy-to-print model of the Mario Party Skeleton key. It's designed to have a layer pause for a color change to get the black outline.

Print Recommendations

- Layer Height: 0.15-0.2mm Quality
- Material: PLA (I used this [Gold](#) PLA and [Galaxy Black](#) PLA)
- Infill: 10% (I used lightning for a quick print, really anything will work here)

- Supports: None
