### Summary

A DIN rail clip using heat inserts.

[Hobby & Makers](#) > [Mechanical Parts](#)

Tags: [clip](#) [bracket](#) [rail](#) [heatsetinsert](#) [din](#) [35mm](#) [dinrail](#) [heatinsert](#) [35mmdinrail](#)

A modified version of the 35mm DIN Rail bracket by Fabian.

Uses heat inserts (M3 x D4.6 x L4.0). Hole spacing is 51mm.

Step file included.

A springless version is available [here](#).
