updated 30. 7. 2023 | published 30. 7. 2023

Summary

I have created the level 1 of the printables badge to complete my collection :).

[3D Printers](#) > [Accessories](#)

Tags: [printables](#) [badge](#)

You have only the original files from printables at the level 2.

You can print it without support, i have respected the original design spirit.
