Summary

Able to hold 3 spray bottles (I use Bowden's Own), the first one is larger but fit 3 on a 5x3 gridfinity grid.

Tags: [gridfinity](#)

Able to hold 3 spray bottles (I use Bowden's own, but others fit) in a tiered arrangement, the first one is larger but fit 3 on a 5x3 gridfinity grid. Included the source file for Fusion360.

I printed in PETG as my garage gets pretty hot in summer.

I printed using 5% gyroid infill.
