Summary

Remixed the standard size hex version to remove unnecessary support.

[Hobby & Makers](#) > [Organizers](#)

Remixed the standard size hex version to remove the unnecessary support material to hold up the center pieces. Still needs support for both ends.

This reduces printing time, material wasted and improves the surface finish.

The one on the right (with the cable inside) is the original, left without cable is the remix.

This remix is based on

Spooly cable safe - no bending cables
