[conevas](#)

A decoration vase with a conical shape and zigzag texture, designed for vase mode.

Its modern design fits contemporary decor styles perfectly. The conical shape ensures stability, while the zigzag patterns create a visually pleasing texture.

The slim neck widens to a broader body, great for showcasing dried flowers or ornamental grasses.

Size: 7.7 x 20 cm

Print time: 2 - 4 hours

Happy printing!

3D printer settings

0.6 mm nozzle

0.2 - 0.3 mm layer height

0.6 - 1.2 mm extrusion width
