Elephant Artwork, inspired by and with a reverent bow to the art of Pablo Picasso.

This is a presumptuous attempt to bring this simple yet elegant sketch to the third dimension and make it experienceable to other senses, i.e. make it perceptible to the blind.

Print instructions

I suggest printing the slab white and the sketch black. Use PETG and a textured sheet for a nice glossy look and a nicely nuanced touch. Use monotonous infill or ironing for best results.
