updated 30. 7. 2023 | published 30. 7. 2023

### Summary

FLIR One storage case with custom TPU insert with space for the optional micro-USB to USB C adapter.

[Hobby & Makers](#) > [Tools](#)

Tags: [storagebox](#) [case](#) [flir](#) [rugged](#) [thermalcamera](#)

Recommend printing case insert at 5-7% infill with low durometer TPU for best shock absorption.
